

COMPOSITE FENCING

Teckwood's premium composite timber fencing is the perfect low maintenance alternative to timber fencing panels, made by combining recycled plastics and FSC certified timber it never needs painting, staining or treating saving you time and money. It protects the future of our environment and forms superb garden boundaries.

Will not rot

Eco friendly

Low maintenance

Easy Install

UV Stable

Easy clean

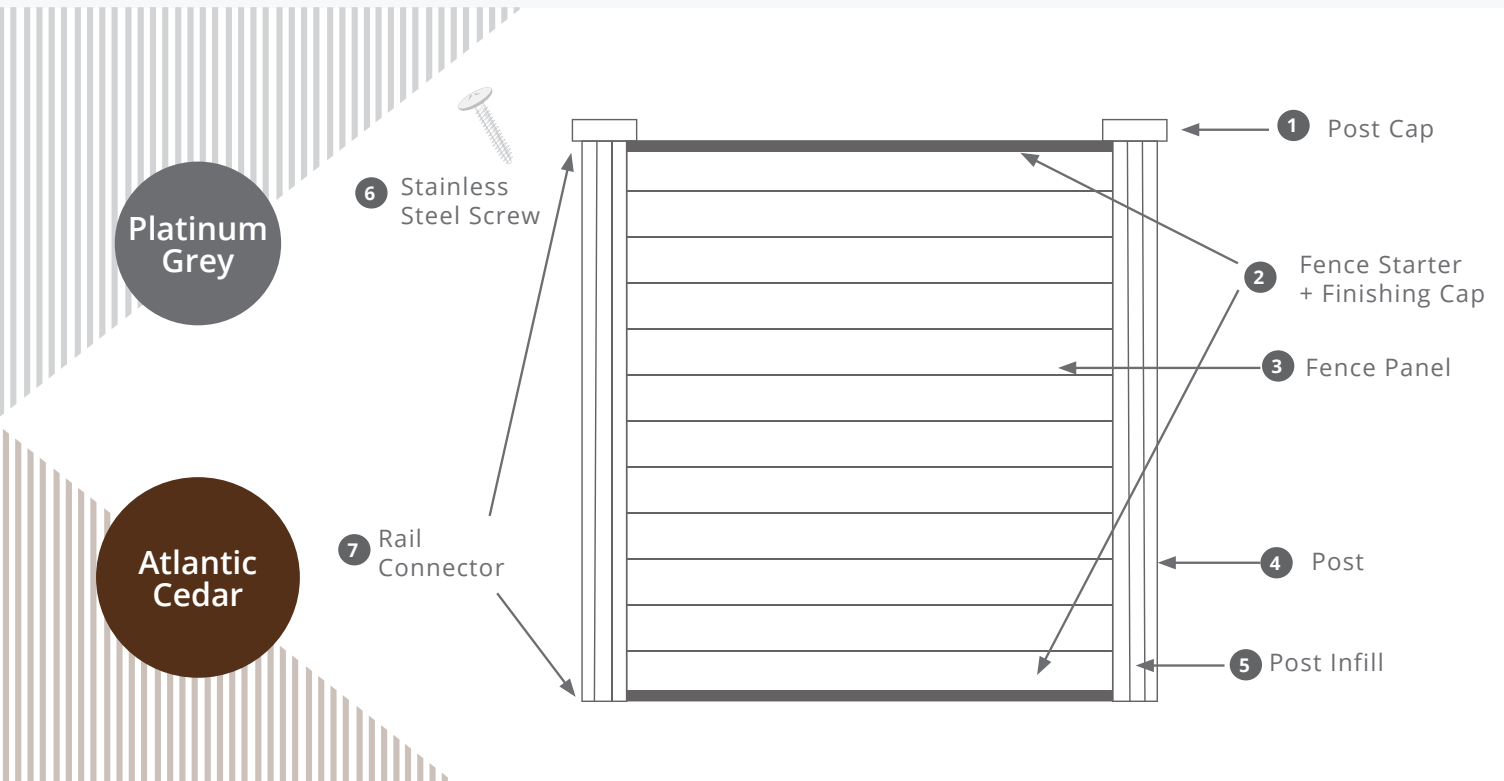

long lasting

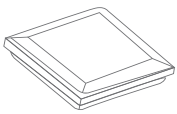

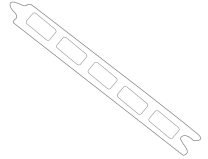

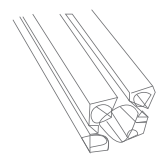

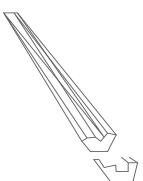

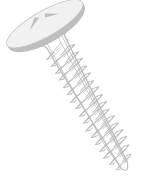

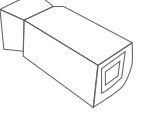

Low Life
Cycle Cost

Teckwood's composite fencing creates a beautiful back drop for your borders and entertaining areas, dovetails with Teckwood's composite decking and has all the traditional values of timber but with the added longevity and low maintenance of recycled plastics.
